

## working chairs ALPHA CHAIRS

The popular Alpha range is now available in two back sizes and choice of mechanism with or without an independent seat tilt. These options mean the Alpha range is ideal for general office & data entry use.

Popular Options: Fixed Arms, Adjustable Arms, Polished Base, Seat Slide, Large Seat, Castor Options, Low Gaslift.

Many upholstery options are available so you can choose a colour to match your interior design - just ask your office furniture supplier for samples.

Choose from 100s of popular upholstery colours.
